DISTRIBUTION OF FACE MASKS

The Foundation is grateful for receiving both adult and child size face masks donations along with monetary donations for the purchase of disposable 3-ply non-medical grade face masks. We have been able to fulfill 100% of the requests for disposable face masks! We are still actively searching for individuals wishing to donate reusable face masks in order to fulfill all current requests.

	Amount Requested	Amount Distributed	Percent Fulfilled
Disposable 3-ply	1400	1400	100%
Adult Reusable	201	26	13%
Child Reusable	250	25	10%

If you wish to contribute to the mask initiative, there are 2 ways to be involved:

- You can make a monetary donation to help BBCF purchase additional 3-ply disposable face masks.
- You can donate reusable masks. We can arrange for a time for pick-up or drop-off.
